

General Assembly

***Substitute Bill No. 142***

*January Session, 2001*

***AN ACT CONCERNING FUEL CELL TECHNOLOGY INCENTIVES.***

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1       Section 1. Section 12-412 of the general statutes is amended by  
2       adding subdivision (113) as follows:

3       (NEW) (113) (A) (i) Sales of and the storage, use or other  
4       consumption by a fuel cell manufacturing facility in this state of  
5       materials, tools, fuel, machinery and equipment used in such facility.  
6       For purposes of this subparagraph, "machinery and equipment" means  
7       tangible personal property (I) which is installed in a fuel cell  
8       manufacturing facility operated by a fuel cell manufacturer, and (II)  
9       the predominant use of which is for the manufacturing of fuel cells and  
10      "fuel cell manufacturing facility" means that portion of a plant,  
11      building or other real property improvement used for the  
12      manufacturing of fuel cell parts or components or for the significant  
13      overhauling or rebuilding of such parts or components on a factory  
14      basis. (ii) Sales of, leasing of and the storage, use or other consumption  
15      of machinery, equipment, tools, materials or supplies of fuel cell  
16      technology to consumers.

17      (B) For purposes of this subdivision "fuel cell" means a device that  
18      directly or indirectly produces electricity directly from hydrogen or  
19      hydrocarbon fuel through a noncombustive electro-chemical process.

20       Sec. 2. This act shall take effect July 1, 2001, and shall apply to sales  
21       occurring on or after July 1, 2001.
